

# TV Recycling Report Card Grading For: Philips

**The Talk:** Philips doesn't even talk the talk. Here's what their website says about recycling: *"Check with your local or state organizations on the proper disposal methods or disposal restrictions in your area."*

**The Walk:** No program.

**About Philips:** Philips has resisted the concept of manufacturer takeback and recycling for years, lobbying vigorously against takeback legislation. Philips has recently stopped making TVs for the US market, and licensed its Philips and Magnavox brand names to Funai for 5 years.

Category	Possible Points	Points Earned	Details
<b>Scope of US takeback recycling program</b>	<b>38</b>	<b>0</b>	
Offers free convenient national takeback recycling for their branded TVs for individual consumers	25	0	No program
Offers free national takeback recycling for a larger scope of their branded products in addition to TVs	8	0	
Offers free national takeback recycling for other customers – not just individual consumers	3	0	
Offers to take products from other brands for free or a nominal charge	2	0	
<b>Provides responsible recycling</b>	<b>37</b>	<b>0</b>	
Signed Manufacturers Commitment to Responsible Electronics Recycling	15		Their recycling webpage points users to the MyGreenRecycling website run by the Consumer Electronics Association. But the CEA site does no screening of these recyclers, so it includes e-waste exporters, including the one recently exposed on 60 minutes.
Other public commitment to not export to developing countries/use prison labor/landfill/incinerate toxic materials*	5		
Publishes full recycling standards on company website	5		
Use only E-Stewards as recyclers	5		
Discloses recycling and refurbishing vendors on company website	5		
Discloses countries where final disposal/recycling of toxic materials occurs:	7		

Category	Possible Points	Points Earned	Details
